Now, let's meet our team...

Peter Hastings Sr., *Principal*, has been a real estate leader in Fairfield County, run his own agencies, and managed the local offices of large corporations. But he has never forgotten the importance of service...which is why he has returned to the small, hands-on agency where the personal touch is the only way.

A native of Fairfield County, Connecticut, Peter has been a Realtor since 1960. His roles as trusted residential and commercial broker, certified appraiser and his long time community service in Westport/Wilton area, has earned him the statewide respect of his peers. He served as president of the Westport/Weston Board of Realtors, the Wilton Board of Realtors and president of the Society of Real Estate Appraisers of Fairfield County. He was Realtor of the Year twice-- Westport/Weston Board, 1979, and the Wilton Board, 1980.

Peter was a founder and presently serves on the Board of Directors of The Wilton Bank. As a licensed certified appraiser, his corporate clients include, among others, IBM and General Motors. He has also conducted appraisals for the Board of Tax Review and Probate Court, and has been an expert witness for the Superior Court of Connecticut. Many local attorneys regularly seek his advice and counsel regarding the value of estates.

Peter Hastings Jr., *Principal*, has worked in the real estate business his whole life as he is working in his family's business and he has been dealing in commercial real estate since 1993. His focus is in investment sales and office leasing.

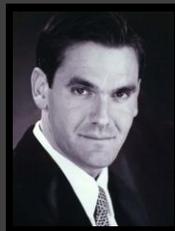

Craig Davidson, has been a commercial real estate specialist with John D. Hastings since 2000. He is a second generation local realtor with encyclopedic knowledge of Fairfield County who is an expert in finding fresh ways to solve problems. He has helped investors find commercial opportunities, locating the perfect retail setting for a variety of national chains and local start ups. He has been able to relocate corporate offices to Fairfield County, smoothing a process that can be difficult and time consuming.

Pete Green, joined John D Hastings in the Summer of '23. Pete has owned and managed commercial real estate for over 30 years. He opened Castle Wine & Spirits in Westport in 1993 and sold it after owning it for 13 years. He has been volunteering at the Connecticut Humane Society's Westport location for over 10 years as part of their Behavior Modification Team for dogs. He was awarded "Volunteer of the Year" for the Westport location of the Connecticut Humane Society for the year 2022. Pete is a life-long resident of Norwalk.

He retired from Merrill Lynch in 2008, joined Prudential Commercial Real Estate in May 2009, and John D Hastings in January 2010. His experience covers such areas as strategic planning, transaction management, creative problem solving, merger and acquisition due diligence, organizational development and management, and depressed asset/portfolio analysis and disposition. Mark has been appointed to serve on the Town of Westport's Golf Advisory committee.

Christopher Maglione, has been a commercial sales agent with John D. Hastings Inc. since 2005, after a 15 year career in the health and fitness industry. His forte is tenant representation, but has worked successfully with buyers and owners as well.
